## YOUR COMFORT IS OUR PRIORITY

At the beginning of our activity, the company cooperated with the VTR forwarding company in Dąbrowa Górnicza, conducting transport in Poland, the Czech Republic and Slovakia for a period of 1 year.

We have been operating on the TRANS freight exchange since 2013. The use of the portal enabled us to provide services in the Czech Republic, Slovakia, Hungary, Germany, France and Romania.

Since 2015, we have been driving for the German forwarding company Finsterwalder. This cooperation allows us to maintain financial liquidity due to regular payment (21 days).

Since 2018, we have also been listed on the TIMOCOM stock exchange, which allowed us to enter new markets such as the Benelux countries, Sweden and Denmark.

Our cars are covered by GPS and GSM monitoring. Each kit meets the European Euro VI emission standards.

### STORAGE

We have the ability to store pallets (100 pallet places)

### SERVICE AND PARKING

In addition to the administrative facilities, we have our own service and a guarded TIR parking

### PARTNERSHIP

We cooperate as a subcontractor with large companies such as: DAF Novelis Outokumpu, Trivium
